## INFORMATIONAL STATEMENT FOR LOUISIANA RESIDENTIAL PROPERTY DISCLOSURE

In accordance with Act 308 of the 2003 Louisiana Legislature (LSA-R.S. 9:3196-3200), effective July 1, 2004, a seller of residential real property must furnish BUYERS with a Property Disclosure Document. A complete copy of these statutes can be found at <a href="https://www.legis.state.la.us">www.legis.state.la.us</a>. The required Property Disclosure Document may be in the form promulgated by the Louisiana Real Estate Commission ("Commission") or in another form that contains substantially the same information. The Commission form can be found at <a href="https://www.lrec.state.la.us">www.lrec.state.la.us</a>.

WHO IS REQUIRED TO MAKE DISCLOSURE? ALL SELLERS are required to make written disclosure of known defects regarding a property being transferred. A SELLER'S obligation to furnish a Property Disclosure Document applies to any transfer of any interest in residential real property, whether by sale, exchange, bond for deed, lease with option to purchase, etc. The following transfers are exempt from the requirement to provide a property disclosure document:

- (1) Transfers ordered by a court, including but not limited to a transfer ordered by a court in the administration of an estate, a transfer pursuant to a writ of execution, a transfer by any foreclosure sale, a transfer by a trustee in bankruptcy, a transfer by eminent domain, and any transfer resulting from a decree of specific performance.
- (2) Transfers to a mortgagee by a mortgagor or successor in interest who is in default.
- (3) Transfers by a mortgagee who has acquired the residential real property at a sale conducted pursuant to a power of sale under a mortgage or a sale pursuant to decree of foreclosure, or who has acquired the residential property by a deed in lieu of foreclosure.
- (4) Transfers by a fiduciary in the course of administration of a decedent's estate, guardianship, conservatorship, or trust.
- (5) Transfers of newly constructed residential real property, which has never been occupied.
- (6) Transfers from one or more co-owners solely to one or more of the remaining co-owners.
- (7) Transfers pursuant to testate or intestate succession.
- (8) Transfers of residential real property that will be converted by the BUYER into a use other than residential use.
- (9) Transfers of residential real property to a spouse or relative in the line of consanguinity (blood line).
- (10) Transfers between spouses resulting from a judgment of divorce or a judgment of separate maintenance or from a property settlement agreement incidental to such a judgment.
- (11) Transfers or exchanges to or from any governmental entity.
- (12) Transfers from an entity that has acquired title or assignment of a real estate contract to a piece of residential real property to assist the prior owner in relocating, as long as the entity makes available to the BUYER a copy of the property disclosure statement, any inspection reports if any furnished to the entity by the prior owner, or both.
- (13) Transfers to an inter vivos trust.
- (14) Acts that, without additional consideration and without changing ownership or ownership interest, confirm, correct, modify, or supplement a deed or conveyance previously recorded.

	ER acknowledges that SELLER is exempt from has no knowledge of known defects to the p above.

RIGHTS OF BUYER AND CONSEQUENCES FOR FAILURE TO DISCLOSE: If the property disclosure document is delivered after the BUYER makes an offer, the BUYER can terminate any resulting real estate contract or withdraw the offer for up to 72 hours after receipt of the Property Disclosure Document. This termination or withdrawal will always be without penalty to the BUYER and any deposit or earnest money must be promptly returned to the BUYER (despite any agreement to the contrary).

**DUTIES OF REAL ESTATE LICENSEES AND CONSEQUENCES FOR FAILURE TO FULFILL SUCH DUTIES:** Louisiana law requires real estate licensees to inform their clients of those clients' duties and rights in connection with the Property Disclosure Document discussed above. Failure to inform could subject the licensee to censure or suspension or revocation of their license, as well as fines. The llicensee is not liable for any error, inaccuracy, or omission in a Property Disclosure Document, unless the person has actual knowledge of the error, inaccuracy, or omission by the SELLER.

## OTHER IMPORTANT PROVISIONS OF THE LAW:

- A Property Disclosure Document shall not be considered a warranty by the SELLER.
- A Property Disclosure Document is for disclosure purposes only; it is not intended to be part of any contract between the SELLER and the BUYER.
- The Property Disclosure Document may not be used as a substitute for any inspections or warranties that the BUYERS or SELLER may obtain.
- Nothing in this law precludes the rights or duties of a BUYER to inspect the physical condition of the property.

## **KEY DEFINITIONS:**

- **Residential real property** is real property consisting of one or not more than four residential dwelling units, which are buildings or structures each of which are occupied or intended for occupancy as single-family residences.
- **Known defect** is a condition found within the property that was actually known by the SELLER and that results in one or all of the following:
  - (a) It has a substantial adverse effect on the value of the property.
  - (b) It significantly impairs the health or safety of future occupants of the premises.
  - (c) If not repaired, removed, or replaced, significantly shortens the expected normal life of the premises.
